Celebrating
20 years
of Sticker Dolly Dressing

2026 Catalogue

Dear Bookseller,

Each year, as I leaf through this catalogue, I'm proud – and still a little amazed – that we've added another 200-plus new titles to our ever-evolving programme.

My dad, Peter Usborne, founded this company in 1973 in two small, rented rooms. He went on to revolutionise children's publishing by building a team of talented writers (not subject specialists, but gifted communicators) and exceptional designers, and seeking out world-class illustrators. That collaborative, handcrafted approach remains at the heart of what we do today, though our creative staff has now grown to over 100 amazing staff writers and designers who create almost all Usborne books in-house.

In 2026, we celebrate 20 years of *Sticker Dolly Dressing*, created by the UK's #6 bestselling author, Fiona Watt. This beloved activity series now boasts over 100 titles (page 162) and 32 million copies sold worldwide. Fans of the series will be treated to *Unicorn Princesses* and an *Easter Party*. The season wouldn't be complete without a new *That's not my...* and we are excited to add *Easter Egg* and *Hippo* to the bestselling collection that's now over 80 titles strong. Plus, irresistible non-fiction exploring everything from Vikings (page 187) and Can Animals Think? (page 171), to Astronomy (page 189) and Norse Gods (page 158) – all packaged in Usborne's inimitable style.

From our fiction list, highlights include *Cinnamon Crumb Baking Detective*, a charming new series by author-illustrator Harry Woodgate (page 97), and to return to the folkloric world of Baba Yaga in *The House With Chicken Legs Runs Away*, a sequel to Sophie Anderson's bestselling debut (page 98).

As children's book specialists, we're passionate about sparking curiosity and growing young minds. I hope this catalogue helps you put the perfect book into the hands of every reader you meet.

Best Wishes

Nicola Usborne
